

Junea®

 **burgess**
furniture

“Junea® blends stunning aesthetics with exceptional comfort.”

The Junea® range, designed by Peter Roth features 3D precision knitted upholstery which creates self-supporting covers that fit to the exact curves & contours of the carefully designed cantilever upper frame.

Junea's® generous proportions mean this multifunctional collection can be used in meeting rooms, hotel bedrooms, or is equally suited to relaxing in lounges and breakout areas.

With a choice of 3 polished aluminium bases: the raised 4 star spider base, the low 4 star spider base or the 5 star base with gas lift and castors, the scope for creating a unique look is endless.

When ordering please state the base you require i.e. 10/1 (Raised 4*), 10/1 (Low 4*) or 10/1 (5* Castors). Please see our website for more complete information about dimensions and weights of different bases.

10/1 (Raised 4*)
Depth 60cm
Weight 9.1kg

10/2 (Raised 4*)
Depth 60cm
Weight 9.3kg

10/3 (Raised 4*)
Depth 61cm
Weight 9.9kg

The plain knitted or melange mesh models are designed with the emphasis on an airy, light & flexible solution, both are available in five carefully chosen colours. For a wider selection of fabrics from the Burgess collection the fully upholstered model has a soft and beautifully contoured look, suitable for all areas of your venue.

Made in Britain

We are proud to say that for over half a century we have made all our chairs and tables to exacting standards in our West London factory.

Environmental Policy

As a leading industrial enterprise, we recognise our responsibility to the environment and are committed to achieving best environmental practice.

To this end we actively ensure that the environmental impact all of our materials, processes and products is reduced as much as possible or eliminated. The company is certified to ISO 14001 as well as having membership to 'Club Green', the highly acclaimed initiative run by FIRA.
