Base - Combi-Base - Base Set  
Display Mirror Stand

# BASE

Flat 50 x 35 x 5 Art. code: 34124

Flat 50 x 35 x 10 Art. code: 34125

Slanting 50 x 35 Art. code: 34127

Flat 35 x 35 x 5 Art. code: 34129

Flat 35 x 35 x 15 Art. code: 34131

Slanting 35 x 35 Art. code: 34132

Two sets of **base** support accessories, flat and slanting. These are available to add **variety** to your presentation. This base can be used to support any display, not only mirrors. It is made of a durable synthetic material, **easy to clean** and equipped with rubber caps. Assembly and disassembly is very easy.

Flat 35 x 35 x 10 Art. code: 34130

Flat 50 x 35 x 15 Art. code: 34126

## COMBI-BASE

A creatively designed **Combi-Base 30-15cm** allows various sizes of mirrors to be positioned in a step or spiral formation to enhance your presentation. It is made of a durable synthetic material, **easy to clean** and equipped with rubber caps. Very **easy to (dis)assemble**. Suitable for display mirrors, round 35cm, round 50cm, shaped 53x32cm (1/1GN) and the buffet mirrors rectangular 53x32cm (1/1GN) and octagon 53x53cm.

Optional: Storage case, mirror box.

Combi-Base 30-15

Art. code: 34133

## BASE SET

Base Set (incl. box)

Art. code: 39134

This **Base Set** including corresponding **storage box** is to make use of supports to enable many variations in arrangements for your buffet. Storage in an **orderly** way, **no risk of disappearing** and convenience of **transportation**.

The bases are made of a durable synthetic material, easy to clean and equipped with rubber caps. Assembly and disassembly is very easy.

## DISPLAY MIRROR STAND

The **display mirror stand 40cm** consists of two flat parts that are made of a durable synthetic material. It is **easy to clean** and equipped with rubber caps. Assembly and disassembly is simple. **Presentation mirrors**, round 35cm or shaped 53x32cm (1/1GN) can be clamped into the slots, forming a tower-like design. It can hold up to 6 display mirrors allowing for **more display** variation.

- More presentation space
- Less table surface
- Many compositions
- Fast exchange
- Multilateral approachable
- Easy storage

Display Mirror Stand 40

Art. code: 34135

Optional: Storage case, mirror box.

# COOLING

Cooling Stand - Cooling Pack - Cooling Box

# COOLING STAND

- Splendid cooling • Long cooling period
- Easy to clean

Cooling stand 62 x 22 x 8 (incl. Packs) Art. code: 24117

This **Cooling Stand** 62 x 22 x 8 (incl. Packs) made of an isolating synthetic material is elegantly designed to keep your juices and desserts **chilled** for a **long period**. It is lightweight, portable and easy to clean. Put three cooling packs in the cooling box, on top of that the cool-

ing plate, then the stainless steel cover can be placed. The cooling packs keep juice-jars, bottles or dessert bowls chilled. It is especially suitable for serving guests in function rooms.

Optional: Extra Cooling Packs.

# COOLING PACK

- Extra low temperature cooling pack
- Very long cooling period (-18°C)
- Colder than ice cubes

The **cooling pack** 20 x 20 x 3cm provides excellent refrigeration and maintains a cool temperature for an extended period. Unlike crushed ice, it does not melt and does not need constant replenishment while serving your cold buffet.

Cooling pack 20 x 20 x 3 Art. code: 90116

# COOLING BOX

To **extend** the **cooling period** of your cold buffet considerably, we recommend the use of a **cooling box** with cooling pack, which are separately po-

sitioned under the buffet mirrors. They are made of an **iso-lating** and **easy to clean** synthetic material. Available in 2 designs, **flat or slanting**, each box can contain one or two cooling packs.

22 x 22 x 5 Flat (incl. pack) Art. code: 24118

42 x 22 x 5 Flat (incl. pack) Art. code: 24119

22 x 22 x 8/5 Slanting (incl. pack) Art. code: 24120

42 x 22 x 8/5 Slanting (incl. pack) Art. code: 24121

Optional: Extra cooling packs.

“We are very satisfied with the new mirrors you supplied. The quick and friendly service of your company is also commendable and we look forward to a long-lasting partnership.”

Mr. John Huynen,  
Executive-Chef, Hotel & Conference Centre, Abdij Rolduc, Kerkrade

# STORAGE

Art. code: 42139

85 x 50 x 32 (octagonal 53 x 80)

Art. code: 42140

103 x 50 x 32 (3/1 GN)

Art. code: 42141

“In all honesty,  
JJ Buffetware is top quality.”

Mr. Rob Blaauboer,  
Executive Chef,  
Golden Tulip Apollo,  
Amsterdam

## MIRROR CONTAINER

This specially designed plastic **mirror container 40 x 60 x 43cm** is particularly useful for packing up after an outdoor catering function. Even dirty mirrors can be stored and transported back for cleaning. Each container can hold up to six mirrors.

Mirror Container 40 x 60 x 43 Art. code: 42142

## MIRROR BOX

To transport and store your buffet and display mirrors in an **easy, orderly and safe** way, we have **mirror boxes** in our programme. These are supplied with lids and are **stackable**. Each box can be fitted with an **interior**, so 6 or more (depending on sizes) mirrors with different sizes can be stored. These boxes are also handy for outdoor catering.

Art. code: 43153

# COLD STORAGE ROOM RACK

- Space saving
- Stackable

The cold **storage room rack 58 x 60 x 78cm** has a rail distance of 10cm and is specially designed to store prepared 1/1 GN and 2/1 GN mirrors.

Cold storage room rack 58 x 60 x 78 (1/1 GN en 2/1 GN)

Art. code: 42143

## STORAGE CASE DISPLAY SET BOX

Because the **combi-stand 30-15** and the **display mirror stand** consist of flat parts after disassembling, we have a **storage case** in our programme. Searching is no longer necessary with this simple way of storage for **transportation**. The storage case is also handy for outside catering.

Storage Case

Art. code: 43146

The **display set box** is specially made to transport and store your **display sets** in an **easy, orderly and safe** way. These are supplied with lids and are **stackable**. Each box can store one slanting and one vertical display set or two of the same display sets and are also handy for outdoor catering.
